SUBJECT INDEX FOR VOLUME 27

Abdominal cocoon, computed tomography in (brief report), 259
Abdominal pain
  in AIDS patients, 271
  in colonic ischemia, 122
  with gallstones, 223
Acalculous cholecystitis, in leukemia, 146
AccuStat whole blood fingerstick test, for *Helicobacter pylori* infection, 50
Achalasia
  current therapies for, 21
  symptomatic gastroparesis in, 166
Acquired immune deficiency syndrome
  alkaline phosphatase levels in patient hospitalized for, 342
  simultaneous intestinal leishmaniasis and mycobacterial involvement in, 271
Adenosquamous carcinoma, pancreatic, 357
Age, in gastric cancer detection, 60
Alcohol, antibacterial activity of in wine (brief report), 179
Alkaline phosphatase, high levels of in hospitalized patients, 342
Allium sativum L., for hepatopulmonary syndrome, 232
American Proctologic Society, origins of (letter), 91
Anal canal, in fecal incontinence, 108
Anemia, iron deficiency, due to Brunner's gland hamartoma, 353
Antibody testing, for *Helicobacter pylori* infection, 50
Anticoagulant protein C resistance, with V factor gene mutation, 361
Antiphospholipid antibodies, in nodular regenerative liver hyperplasia (letter), 90
Arthritis, spontaneous bacterial, in cirrhosis, 364
Ascites
  intractable, elevated ovarian cancer marker with (brief report), 154
  spontaneous bacterial peritonitis with, 269
Atopy, in varioliform gastritis (letter), 275
Autoimmune gastritis, with sclerosing cholangitis and sarcoidosis, 162
Autoimmunity, in minocycline-induced hepatitis, 74

Back support belts, in gastroesophageal reflux, 47
Bacteremia
  Escherichia coli, in septic arthritis, 364
  Mycobacterium mucogenicum (brief report), 346
Bacterial arthritis, in cirrhosis, 364
Bacterial peritonitis, spontaneous with gastric carcinoma, 269
Balloon dilation, for achalasia, 21
Barium enema, in diagnosis of NAID-induced ulceration (brief report), 156
Barrett's esophagus
  in gastroesophageal reflux disease, 6
  rapid progression to metastatic esophageal carcinoma, 261
Behçet's disease, hepatic vein outflow obstruction and, 67
Bile reflux, in gastric pathology of cholecystectomy, 335
Biliary system
  cirrhosis, alkaline phosphatase levels in patient hospitalized for, 342
  extrahepatic obstruction of, by metastatic gastric carcinoma, 63
  gallstone-related pain of, 223
Biopsy, for *Helicobacter pylori* detection, 138
Book reviews
  Pathology of the Gastrointestinal Tract, 2d edition, 92
Botox injection therapy
  for achalasia, 21
  symptomatic gastroparesis after, 166
Botulinum toxin injection, symptomatic gastroparesis after, 166
Brunner's gland hamartoma, iron deficiency anemia with, 353
Budd-Chiari syndrome, hepatic vein outflow obstruction and, 67
Bulgaria, low-dose interferon-α for HBeAg-negative hepatitis B in (letter), 367

Calcium channel blockers, for achalasia, 21
Cancer, fecal stream and (editorial), 283
Candidiasis, alkaline phosphatase levels in patient hospitalized for, 342
Castleman's disease, hepatic sinusoidal dilatation with, 76
Celiac ganglion blocking, for chronic pancreatitis, 101
Celiac sprue
  Castleman's disease and, 76
  lymphadenopathy in, 82
Central nervous system reactions, associated with famotidine, 253
Cervical osteophytes, submucosal hemorrhage of esophagus with endoscopy for, 267
Children, gastrointestinal motility studies in, 187
Cholangitis, infiltrative sclerosing, 162
Cholecystectomy
  for choledocholithiasis, 296
  gastric pathology in, 335
Cholecystitis, acalculous acute, in leukemia, 146
Choledocholithiasis, endoscopic management of, 296
Cholelithiasis, abdominal symptoms and food intolerance with, 223
Chromoendoscopy, uses of, 13
Chromoscopy, tissue staining during, 13
Chronic atrophic autoimmune gastritis, with sarcoidosis and sclerosing cholangitis, 162
Chronic lymphocytic leukemia, metastatic esophageal carcinoma with, 261
Chronic radiation proctopathy, endoscopic treatment of, 36
